Dorothea Jackson is the president of Rouche Consulting and Maintenance, Inc. and has been a public accountant and practicing for over 35 years. She is dedicated to providing small business and individuals with viable and good quality service. In the profession of accounting, clients want to know that their financial information is in good reliable hands; they want more than an accountant they wanted a trusted advisor to work with them year round and providing a clear picture of their financial health by helping them develop a sound tax strategy and guidance.

Dorothea is a graduate of the University of Phoenix, Maitland Florida, with a Masters and a Bachelor of Science in accounting and finance. She spent over ten years working with an established law firm in Ney York as a finance director and comptroller before moving to Florida where she started her company in 1997. Her specialize area of practice is with nonprofit organization but also work with any and all small business and has kept a 98% of client retention.

In addition to her job as an accountant and managing her own firm she serves as the treasurer on the board of R.I.S.E Academy Charter School in Margate, Florida.

ACCREDITATION:

Accredited Business Accountant. ABA.,- through AICPA and the National Society of Accountants
